

E-Learning

Introduction:

E-Learning is a platform where we can see the published classes and appear for the published tests.

Overview:

- Take Available classes to “My classes”
- Take Available tests to “My Tests”
- See the classes in my classes and apply the test in my test.
- Observe the performance for the tests.

Prerequisites:

- Create account in RNC (<http://relgo.com/>).
- Verify and create identity cast.
- Token Login in Relgo.com/eLearning

Process Flow:

Available Classes into My Classes:

Converting the Available Classes into My classes.

Steps to Follow:

1. Login into ELearning ->Go to Available classes.
2. Here Published classes will be shown
3. Select the appropriate class and select the Action as Add Class it converts into my classes
4. In My classes we can start class action to start the class.

Available Tests into My Test:

Convert the available tests into my test

Steps to Follow:

1. Login into ELearning ->Go to Available Tests.
2. Here Published tests will be shown
3. Select the appropriate test and select the Action as Add test/Purchase test it converts into my tests.
4. In My Test we can see the Newly added tests completed tests
5. We can start test by selecting Take test Action.

Performance:

In ELearning we can see the performance of the tests

Steps to Follow:

1. Login into ELearning ->Go to Performance.
2. In Performance select the date to see the performance of his/her test which he/she appeared for the tests.
