

Learning Management System

INTRODUCTION

A learning management system (LMS) is a software application for the administration, admission, academics, analysis of educational courses, training programs, or learning and development programs. The learning management system concept emerged directly from e-Learning.

PREREQUISITIES

1. Create New Relgo Identity. (<http://www.relgo.com>)
2. Verify the Identity to generate Identity cast.
3. Register to Relgo Network Center with generated Identity cast.
4. Login to account with credentials (<http://www.relgo.com/academics>).

FEATURES

1. Administration
2. Admission
3. Academics
4. Analysis
